Infectious diseases, Infection control, Vaccines and Long-Term Care

July 9/11, 2025
San Servolo Island, Venice, Italy

ESWI

SCIENTISTS FIGHTING INFLUENZA AND OTHER ACUTE RESPIRATORY VIRUSES

PROGRAM

JULY 9, 2025

- 14.00 **Welcome**
- 14.10 **Significance and news on the topic** - J. Barratt
- 14.30 **Intrinsic factors favouring infections in Long Term care residents** - T. Fulop
- 14.50 **Environmental factors favouring infections in LTC facilities** - E. Coemans
- 15.10 **Economical burden of IDs in LTC facilities** - M. Hilgsmann

BURDEN OF INFECTIOUS RESPIRATORY DISEASES IN LONG-TERM CARE FACILITIES

- 15.30 **An exemplified story, not to forget: COVID in long term care institutions** - S. Gravenstein
- 15.50 **Burden & functional consequences of respiratory tract infections in LTC** - F. Martin (Online)

Coffee break

HEALTHCARE ASSOCIATED INFECTIONS (HAI) IN LTC RESIDENTS

- 16.30 **Non-pharmacological infection prevention and control measures** - J. Ory
- 16.50 **Clostridium difficile infections** - M. Falcone
- 17.10 **Prevention of anti-microbial resistances in adults and older adults** - M. Riccò
- 17.30 **Prevention of anti-microbial resistances in children: focus on a life-long approach** - P. Manzoni
- 17.50 **General discussion**

JULY 10, 2025

- 09.00 **Synthesis of the first day**
- 09.10 **Vaccine uptake rates in residents in long-term care facilities** - P. Bonanni
- 09.30 **Vaccine uptake rates among staff working in long-term care facilities** - TBC

AVAILABLE VACCINES FOR PREVENTING INFECTIONS IN RESIDENTS IN LONG-TERM CARE FACILITIES

- 09.50 **Covid vaccination – past present, future** - P. Openshaw
- 10.10 **Influenza vaccination for NH residents** - T. van Essen
- Coffee break

- 11.00 **Pneumococcal vaccination** - A. Torres
- 11.20 **RSV vaccination** - G. Gabutti
- 11.40 **Pertussis vaccines** - N. Veronese
- 12.00 **Herpes Zoster vaccine** - G. Kassianos

Lunch

FACING THE CHALLENGING IN IDS IDS PREVENTION, CONTROL AND TREATMENT IN LTC RESIDENTS

- 14.00 **STAKEHOLDERS ROUNDTABLE: FUTURE PERSPECTIVES**
- **WHO** - Y. Yon
 - **European Scientific Societies:**
 - EuGMS** - C. Sieber
 - ESWI** - T. van Essen
 - **Adult Immunization Board (ABI)** - J. Pattyn, Marco del Riccio
 - **International Federation on Aging** - J. Barratt
 - **Happy Ageing Alliance** - F. Macchia
 - **ECDC and European Parliament**
 - **Directors of LTC facilities** - A. Morandi
 - **Nurses and other health professionals Eu referents** - E. Peetermans
 - **Active Citizenship Network** - M. Votta
 - **Pharmaceutical Industry**

JULY 11, 2025

- 08.00 **Outline of the Executive Summary for the peer review publication - to be finalized by September 2025** - All Faculty Members
- 10.00 **Departure**
